

Public Notice – KOMA Training Session

The Chetopa Governing Body will be attending a KOMA training class tonight, May 7th, at 5:30 p.m. at City Hall. A quorum of the Council will be present; however, no city business will be discussed and no official action will be taken.

This training session is open to the public for observation only. Please note that no public comments will be permitted, and no audio or video recording will be allowed during the training due to proprietary Kansas League of Municipalities materials being presented.

Thank you for your cooperation.
